GIVE A LEGACY THAT LEADS SOMEONE HOME

Explore ways to create a lasting impact through planned giving.

Fuel a Mission That's Built to Last

Planned giving is more than a designation in a will; it is a strategic act of stewardship that ensures your assets continue to provide a pathway to the hope of the gospel and home in community for our neighbors experiencing homelessness.

Through OurCalling's Single Charity Fund at the National Christian Foundation, you can securely give complex, asset-based gifts to directly benefit our mission and create a lasting impact and legacy.

Every planned gift keeps this work moving forward by:

Removing Barriers to Recovery
Eliminates immediate financial hurdles like intake fees or transportation costs, allowing neighbors to exit homelessness the very moment they say "yes" to change.

Building a Permanent Refuge
Cares for our most vulnerable neighbors by providing wraparound supportive housing in a community for those who have no other options.

Sustaining Spiritual Restoration
Ensures the gospel remains the foundation of our work as we share the hope of Jesus with every neighbor we meet.

Fueling Data-Driven Solutions
Grows our technology to coordinate complex care across OurNetwork of 800+ national partners, ensuring every neighbor receives a personalized strategy for restoration.

Creative Ways to Make a Major Impact

Four kinds of gifts, one shared destination

1. Gifts that cost you nothing now:

Bequests: Include OurCalling in your will by designating a percentage or specific amount of your estate.
Beneficiary Designations: Name OurCalling as a beneficiary of your retirement account, investment account, bank account, or life insurance policy.

2. Gifts that reduce your taxes:

Retirement Assets: Make a gift directly from your IRA to satisfy your required minimum distribution while reducing your taxable income.
Privately Held Business Shares and Real Estate: Donate a percentage of your operating business or passive privately held investments before a sale to shift what otherwise is paid in taxes to OurCalling and your other favorite charity.

3. Gifts that make an impact now:

Donor Advised Funds: Contribute to your fund when it's most tax-advantageous, then recommend grants to OurCalling whenever you're ready.
Appreciated Stock: Donated appreciated publicly traded stocks, reducing your capital gains tax and allowing you to use cash to repurchase at a higher value, if desired.
Qualified Charitable Distributions (QCDs): Make a tax-efficient gift directly from your IRA to support OurCalling while reducing your taxable income.

4. Gifts that provide you with income:

Charitable Gift Annuity: Make a gift of cash or appreciated assets and receive fixed payments for life. After your lifetime, the remaining funds support OurCalling's mission.

Did you know?

• Leaving your IRA to charity while passing cash or real estate to heirs is a more effective way to maximize what your family keeps.

• You can donate shares of stock directly to OurCalling and then use your cash to rebuy the same stock? Reset your cost basis and avoid capital gains, while supporting the cause you love.

OurCalling's mission is to help neighbors experiencing homelessness walk with Jesus, get off the streets, and into a healthy community.
